## Garland vs. Brigham City.

### TWO GAMES BOOKED.

While you are Reading This the Garland Boys are Waxing it to Brigham in Good Style.

One of the most enthusiastic games of base ball ever played in the county is going on in Brigham today between Brigham and Garland. Our team left here with light hearts and bright hopes before them as they are in excellent shape for the contest. If they lose the game it is not going to discourage them in the least as another big contest is booked to take place in this city at the Garland Athletic Park Saturday, May 12th. Our boys will feel more at home on their own grounds and if you want to see some "Good Base Ball" don't fail to witness the contest next Saturday, May 12th. Success to our team.

The Garland team is lined up as follows:

Catch—Featherstone  
Pitch—Lowe  
First-base—Wallis  
Second-base—Fowler  
Third-base—Schaffer  
Short Stop—Evans  
Left Field—Gleason  
Center Field—Van Leuren  
Right Field—Hall

Saturday night, May 12, after the big base ball contest, a grand ball will be given at the Garland Amusement Hall for the benefit of the Garland Base Ball Team. Come out, and bring your small change in LARGE quantities.

### Change in Town Board.

Tuesday night at the meeting of the Garland Town Board Walter P Eaton, who has faithfully filled the position of Town Clerk for the past nine months, handed in his resignation from the duties of that office. Mr Eaton has been one of the main stays of our Town Board and resigns in honor. His many positions of trust necessitates his giving up the position to another.

The Town Board hesitated in accepting his release and feel that they have lost a good member. However, the Board were fortunate in securing R. L. Bush to fill the vacancy. He is a highly respected young man of exceptionally bright talents and we congratulate the Board in its selection of a competent Clerk to fill the vacancy.

### Ladies' Basket Ball Team.

Wednesday evening a number of young ladies gathered at the home of Miss Ada Fowler and organized a basket ball team for the season of 1906. Miss Ada Fowler was chosen as manager. The colors selected for the uniforms were blue and tan. Miss Elva Booth was named as captain of the blues and Miss Mary Bowen as captain of the tans.

All the necessary equipment is on hand except the suits for this season and a committee was selected to solicit funds to defray the expense of new uniforms.

The line up is as follows:

BLUES.	TANS.
Elva Booth	Mary Bowen
Iva Parkinson	Ada Fowler
Fern Lewis	Nora Booth
Nina Winters	Hazel Edwards

Two more ladies are wanted to make the organization complete. Any lady wishing to join should consult Miss Ada Fowler, the manager. The first game of the season is billed for an afternoon of next week.

### Not Newspaper Gossip.

The Garland Mercantile Co. have demonstrated the fact that all we have said concerning their new improvements is not newspaper gossip. Excavating work commenced Thursday for the foundation of their large brick structure and the building will be rushed to completion. Weather conditions have delayed this work, but Garland will soon have another fine building to its credit.

Miss Mahala Gann has ceased singing "In the Shade of the Old Apple Tree." Reason: Tuesday night the lightning struck an apple tree in front of A. R. Capener's residence and knocked the life out of it.

## Meetings of the Garland Town Board.

### TO ESTABLISH GRADE.

Clerk W. P. Eaton Resigns—R. L. Bush Chosen to Fill Vacancy. A Special Session Wednesday Night

The regular monthly meeting of the Garland Town Board was held Tuesday evening in the rooms of the Garland Commercial Club all members present but T. H. Edwards.

Merchants M A Boothe and Dan Parry were present and petitioned the Board for either a reduction in the amount of the local license, or that the license of traveling merchants such as meat wagons, etc, be raised to the amount charged local merchants. The matter was left to a committee consisting of H. C. Vanaunder and J. T. Lant for adjustment.

The report of the Building Committee was then called for, and Secrist, as chairman, reported that the contractors had just completed the hard finish and was of the opinion that same was ready for the placing of cells. The gentlemen in question agreed to ascertain for certain on the morrow and advise the President.

Marshal Henrie submitted his report, which was accepted and ordered filed. The Justice's report was also heard and accepted.

The matter of drainage of the Town was discussed, and President Rowe authorized to communicate with the O S L Railway Co. as well as other owners of property adjacent to the Town in an effort to secure a more thorough system of drainage.

The Clerk read to the Board a communication from the R M B Tel. Co. respecting the granting of a franchise to operate their telephone system in the corporate limits. The matter was left in the hands of a committee consisting of W H Rowe and John T Lant.

Town Clerk, W P Eaton, asked that his resignation as clerk be accepted, on the ground that his manifold duties outside of the town work prevented him giving the proper amount of time and attention to his work as Town Clerk. Mr Eaton's resignation was reluctantly accepted by the Board. Mr R L Bush, by unanimous vote, was appointed to the position made vacant by the resignation of Clerk Eaton, his salary to remain the same as that paid Clerk Eaton, resigned. Mr Eaton was tendered a hearty vote of thanks for the efficient manner in which the accounts of the town had been handled, and also for the timely advice which at all times has been given by him. The president was authorized to present Mr Eaton with a letter of thanks, signed by the entire board. Trustee Lant was appointed to check Mr Eaton out of office.

The matter of sending assistance to the victims of the San Francisco disaster was discussed, and it was decided that the Town Board, in conjunction with the Church and Commercial Club, take steps for the relief of these unfortunate people.

Upon motion duly carried, the meeting was adjourned.

### SPECIAL MEETING.

At a special meeting of the Town Board C. W. Knudson and Wm. Preston, representing the Garland Mercantile Co., appeared and requested that a town grade be established. A committee consisting of T H Edwards and J T Lant were appointed to confer with J. C. Wheelon in relation to the matter. Action will be taken immediately and a town grade established soon.

### New Barber Shop Opens.

Thursday morning the Harris-Perkins barber shop opened up for business and had a good run the first day. Work is being rushed on the bath room and Mr Harris informed us last night that it would be in operation to-day. The shop is modern in every respect, new furniture, chairs and other equipments having recently been purchased at Salt Lake. Being on the corner of Main and Factory streets, and situated in a neat building the shop takes on a very metropolitan appearance and customers won't have to hunt for a barber shop in this city from now on.

### GARLAND SYMPATHIZES

The Town Board, Commercial Club and Church Join Hands in Relieving the San Francisco Sufferers.

The Garland Town Board, Commercial Club and Church have joined hands in a move to assist the unfortunate people of San Francisco. Wednesday and Thursday of this week were set apart as days to receive anything to aid the victims of the terrible disaster.

A host of the good sisters of the Relief Society gathered at the home of Mrs. Jos. Jensen Thursday and with machines, scissors, thread and needles converted about 75 yards of cloth into children's clothing to be sent to the unfortunate victims of the terrible California disaster. Besides this a considerable amount of ready-made clothing has been subscribed consisting of wrappers, blouses and various other wearing apparel.

A good hearted bachelor (name withheld) gave a big bundle of men's clothing for the sufferers. The addition of a few buttons and some stitches by the good sisters made the package very acceptable and will give comfort to some of the men folk who are in need. If the California "wife getters" will send him a wife we may be induced to furnish them with his name, otherwise "mum" is the word.

Mrs Jos Jensen and Mrs. J. A. Wixon were appointed a committee to receive the offerings at the Garland Hall Wednesday and Thursday. Following is a list of the names and amounts subscribed:

### May Day Celebration.

The Primary children of this city celebrated May Day at the Garland Amusement Hall in fitting style Tuesday afternoon, May 1st. The celebration was under the auspices of the Primary Presidency. Mrs. Sybil Roberts in charge. The May Queen was Miss Lucella Fife, the charming daughter of Mr and Mrs A J Fife. She was beautifully dressed for the occasion and presented a Queen-like appearance. As the curtain arose she occupied a throne on the stage that was tastefully decorated in the colors of the "May Pole." Sterling Lewis was Best Man or King of the celebration and was truly a handsome little King. On the stage was the "May Pole" and to the music of the piano four young ladies tastefully dressed in white, assisted by four brave young men, gracefully wound and unwound the ribbons of green, pink, blue and white around the "May Pole." The names of the dancers around the "May Pole" were: Nina Winters, Vera Edwards, Emma Lewis, Mamie Sasser, Paul Ray, Keith Winters, George Robinson and Ross Evans.

A program was carried out consisting of the following selections:  
Song, "Lovely, Lovely May," Primary children.  
Prayer by Bp. W. L. Grover.  
Duet, "Search for the Fairy Queen," Lucella Fife and Jennie Wanlass.  
March, led by the May Queen and the girls and boys who wrapped the "May Pole."  
After the program the children engaged in dancing and a very pleasant afternoon was spent.

The Primary officers are to be congratulated in the successful way they entertained the Primary children.

There were fully 200 in attendance.

### Riverside.

The Independent Telephone Co's men have been busy in Riverside the past week putting in new phones. The majority of the families in town have either the Bell or the Independent and quite a number have both.

The boys all turned out Monday with teams, disks and levers and made a ball ground on the public square. We have the base ball fever and some good players and see no reason why we should not have a good team. A man's meeting has been called for Wednesday night to organize and get in shape for playing.

Miss Dessie Gleason of Garland spent Saturday and Sunday in Riverside visiting with her friend Helen Kennard.

Farm work is being done between the showers. Men congregate and discuss the weather. "Have you got your beet in?" is the question. Some are wondering if it is going to rain all summer, and fear they will not get their crops in at all. If the weather man only knew how to please everybody, it is quite likely he would do it, but he would have to be a veritable Solomon Wisenheimer.

Jay Kay.

### Sunday Services.

1st Counselor D E Manning presided at the afternoon meeting last Sunday. After the opening exercises and the administration of the sacrament, Wilford Nuttall, who was on business in California during the recent devastation, addressed the congregation. Spoke of the suffering and death that had befallen the city of San Francisco. He and his wife and daughter escaped unhurt, but lost everything but their clothing. Said anything we can do to alleviate the suffering of these unfortunate people would surely be appreciated. He gave an account of his missionary experiences in Germany and bore a strong testimony. Wm. Lowe of Willard was the next speaker and referred to the duty of parents to their children, also spoke of the sympathy and aid we ought to give to suffering humanity as they all were the children of God. Counselor Manning stated that Wednesday and Thursday of this week had been set apart as days to receive anything to relieve the suffering people of California. Benediction by J. J. Thompson.

Not as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by Ritter Bros Drug Store.
